| Pétillant Naturel or 'Pét Nat'                                                                                                                                                                                                                                                                                                                  |        |
| A 'Pét Nat' also known as the Ancestral method is a very historic way of making a sparkling wine with little to no intervention. The unfiltered wine is bottled before the fermentation is completed, giving a naturally lightly sparkling wine. This wine is naturally cloudy and contains sediment that may add to the enjoyment of the wine! |        |

|                                                                                                                                                                                   |      |
